## From the Pro

### PACE OF PLAY POLICY:

A. *If the course is busy*, the acceptable pace is 4 hours - 4 hours and 15 minutes. Speeding up is always a better option than letting groups play through as this can bog down the course. If a group is warned of slow play a second time, they may be asked to skip a hole in order to get back into position. Singles and twosomes have no right of way.

B. *If the course is not busy*, the acceptable pace is 4 hours and 15 minutes or less. Irregardless of a group's pace, if they are keeping a group from playing at their pace they must offer to let them play through, including singles and twosomes.
